Outpatient Hospitals

Use the CMS UB-04 claim form and refer to submission instructions for health care providers. The billing/pay-to provider must be a participating provider. Provider based billing is not available for these specific services; therefore, no CMS 1500 claim forms should be submitted by outpatient hospitals and revenue code 510 should not be used on the outpatient claims.

Public Health Clinics

Use the CMS-1500 or 837P claim form and refer to submission instructions for health care providers. Reimbursement to participating providers for these prevention services is in accordance with fee-for-service schedules for appropriate provider types posted on the Department's [website](#). The following codes are billable at the rate shown below:

- S9460 Bill \$25.88 Medicaid pays \$21.88
- S9455 Bill \$29.00 Medicaid pays \$25.00
